# DEDICATION

## PHIL TORRE

This year's Hampstead Town Report is warmly dedicated to Phil Torre, who retired from the Hampstead Recreation Commission this past winter.

Phil's leadership and dedication to the youth in Hampstead are legendary and have been an inspiration to all who know him. He moved to Hampstead in 1972 and immediately became involved with the Town's sports programs. Phil dedicated 22 years to coaching baseball; 25 years to the Civic Club--once serving as President; and over 22 years to the Hampstead Recreation Commission, serving two separate terms as Chairman. He organized the Quintown League for baseball and was one of the individuals that first brought the Junior Olympics to our Town.

Together with the late Terry Pavlini, Phil was instrumental in the creation of one of the most admired recreation complexes in the state, the Depot Road fields. This complex is truly Phil's greatest accomplishment and legacy.

Phil and his wife, Linda, have been married for 40 years and have three children: Kevin, Bill and Sherry. They have six grandchildren ranging in ages from 2 to 13 years. A dedicated grandfather, he is often seen at one of the Town's fields cheering them on at their soccer, basketball or baseball games.

Very humble about his accomplishments and what he has done for hundreds of Hampstead youth, Phil's kindness, gentle ways and sincere love of our sports programs will be treasured by our Town forever. Although he won't be serving the Town in an official capacity anymore, we all know that he will always keep a watchful eye on all our facilities and continue to support our Town's youth.

Thanks for everything Phil! You are truly one in a million and we are lucky and proud to have you here in Hampstead.

# NOTES

# GENERAL INFORMATION

*In this section:*

	Page
Municipal Information	6
Town Officers	7
Official Ballot - Results of 2005 Election	10
Tax Rate Calculation	14

### ARTICLES

2. To see if the Town will vote to amend the existing Hampstead Zoning Ordinance Article II-III, Article III (B), by deleting the existing Article and replacing it with the following:

"The areas of special flood hazard identified by the Federal Emergency Management Area (FEMA) in its "flood insurance study for Rockingham County, New Hampshire" effective date May 17, 2005 or as amended, together with the Associated Flood Insurance Rate Map for Hampstead, New Hampshire, community number 330211, effective May 17, 2005 or as amended, which are hereby adopted by reference and are declared to be part of this ordinance. Until May 17, 2005, the areas of special flood hazard are those identified by FEMA in its "Flood Insurance Study for the Town of Hampstead, New Hampshire" together with associated Flood Maps for the Town of Hampstead, New Hampshire dated June 16, 1993 and as amended." Proposed by the Planning Board

YES ●  
NO ○

1,076  
322

3. To see if the Town will vote to amend the existing Hampstead Zoning Ordinance by deleting the existing Article III-IV:5A, Article III-V:5A and Article III-VI:4F, commercial lot coverage in commercial zones C-1, C-2 and C-3 and replacing with new Articles III-4:5A, Article III-5:5A and Article III-6:4F.

#### COMMERCIAL ZONE C-1 III-4:5 STRUCTURE/DWELLING REGULATIONS

##### A. NUMBER OF STRUCTURES

"Building area shall not exceed 15% of buildable lot area. "Buildable lot area" does not include group 5 or group 6 soils. Contiguous business establishments shall meet the above requirements in the aggregate for lot area."

## OFFICIAL BALLOT ANNUAL TOWN ELECTION HAMPSSTEAD, NEW HAMPSHIRE MARCH 8, 2005

*Patricia A. Linn*  
TOWN CLERK

BALLOT 2 OF 2

### ARTICLES

7. Shall the Town pursuant to RSA 72:39-b modify the elderly exemptions from property tax in the Town of Hampstead, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years \$125,000.00; 75 years of age up to 80 years \$150,000.00; 80 years of age or older, \$200,000.00? To qualify, the person must have been a New Hampshire resident for at least 5 consecutive years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married to each other for at least 5 consecutive years. In addition, the taxpayer must have a net income of not more than \$32,500.00, or if married, a combined net income of not more than \$40,000.00 and own assets not in excess of \$100,000.00, excluding the value of the person's residence. Recommended by the Board of Selectmen. Recommended by the Budget Committee

517

6. To see if the Town will vote to amend the zoning ordinance by deleting the present Article IV-8, sexually oriented business and replacing it with a new Article IV-8 sexually oriented business.

#### ARTICLE IV-8

##### SEXUALLY ORIENTED BUSINESS:

"Purpose This article is adopted for the purpose of regulating the secondary effects of sexually oriented businesses in the following areas:

- A. Protection of children.
- B. Protection of property value.
- C. Crime control.
- D. Public health.
- E. Prevention of urban blight.

Definitions As used in this article, the following terms shall have the meaning indicated:

SEXUALLY ORIENTED BUSINESS-Includes but is not limited to, an adult arcade bookstore or adult video store, adult cabaret, adult theatre, adult motel, nude model studio or sexual encounter center, or any other business which meets the definition of "harmful to minors" and/or "sexual conduct" as set forth in RSA 571-B.

MEASURE OF DISTANCES-All distances shall be measured in a straight line, without regard to intervening structures, from the closest exterior structural wall or temporary or permanent physical divider between each business.

ALLOWED LOCATION AND RESTRICTIONS-Sexually oriented businesses as defined above are allowed in Commercial Zone C-2 and not allowed in C-3, subject to the following requirements:

- A. No sexually oriented business shall be permitted within 750 feet of any residence, apartment, or manufactured housing, church, place of worship, parish house, convent, public or private school, kindergarten, day-care center or public sports/recreation parks; and no sexually oriented business shall be permitted within 750 feet of town boundaries.
- B. The hours of operation shall only be between 10:00 a.m. Monday through Saturday, and 12:00 noon to 9:00 p. m. on Sundays.
- C. The outside site shall be maintained daily in a condition that is free and clear of any sexual paraphernalia or packing.
- D. Signs shall not visually depict any person in any state of nudity, semi-nude or which is not in compliance with RSA 571-B.
- E. The distance between any two sexually oriented businesses shall be a minimum of 1000 feet.
- F. The Planning Board shall review application for sexually oriented businesses under Site Plan Regulations for the Town of Hampstead. The Planning Board may impose reasonable restrictions for buffering.
- G. Outdoor lighting, signage; parking, adequate ingress and egress from the site off and on to public roads, pedestrian movement, and provide for appropriate landscaping and building aesthetics consistent with the Site Plan Regulations of the Town of Hampstead and to avoid site development layout which may result in negative environmental impact to ensure that any displays of merchandise visible to the general public are in conformity with RSA 571-B."

Proposed by the Planning Board

Recommended by the Board of Selectmen. Recommended by the Budget Committee	YES <input checked="" type="radio"/>	NO <input type="radio"/>	930 590
25. Shall the Town change the make up of the Advisory Budget Committee from 6 members to 5 members, to take effect at the 2006 regular town meeting? Recommended by the Board of Selectmen	YES <input checked="" type="radio"/>	NO <input type="radio"/>	1,055 432
26. Shall the Town adopt pursuant to RSA 31:39-a, a Code of Ethics Ordinance to replace that which was adopted under Article 56 at the Town Meeting in 1989 and amended under Article 46 at the Town Meeting in 1990? Copies are available at the Town Office Building. Recommended by the Board of Selectmen	YES <input checked="" type="radio"/>	NO <input type="radio"/>	974 430
27. Shall the Town appoint Planning Board members pursuant to RSA 673:2 II(c) to take effect at the 2006 regular town meeting, and rescind the action taken at the 2003 Town Meeting, Article 24, to adopt the provisions of RSA 673:2 II(b)(2) to elect Planning Board members? Recommended by the Board of Selectmen	YES <input type="radio"/>	NO <input checked="" type="radio"/>	659 756
28. (By Petition) Shall the Town vote to set the salary of the Board of Selectmen at the current rates for Chairman and other Selectmen members per year? Recommended by the Board of Selectmen. RECOMMENDED BY THE BUDGET COMMITTEE	YES <input checked="" type="radio"/>	NO <input type="radio"/>	972 461
29. (By Petition) To see if the Town will vote to raise and appropriate the sum of \$5,000 (Five Thousand Dollars) to help sustain current and future researched based prevention programs serving the needs of local children, youth and families in the Sanborn and Timberlane Regional School Districts. In addition to Hampstead, the towns of Plaistow, Newton, Kingston, Sandown, Atkinson and Danville are requested to raise and appropriate equal amounts. Additionally, requested funds will assist in funding the position of Community Program Director. The current Director has a master's degree in social work and will continue to provide professional services and effective grant-writing skills in seeking state, federal and foundation funds in support of expanding community based programs. Town support of this position last year directly resulted in grant awards for programs benefiting the two school district communities in the amount of \$169,501 from county, state and federal sources. Recommended by the Board of Selectmen. Recommended by the Budget Committee	YES <input checked="" type="radio"/>	NO <input type="radio"/>	1,070 458

# BUDGET OF THE TOWN/CITY

OF: TOWN OF HAMPSTEAD

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2006 to December 31, 2006

or Fiscal Year From \_\_\_\_\_ to \_\_\_\_\_

## IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below.

This form was posted with the warrant on (Date): January 30, 2006

### GOVERNING BODY (SELECTMEN)

*Please sign in ink.*

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Richard H. Hartung  
Charles P. Lafont  
James A. Keith

**THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT**

FOR DRA USE ONLY

# DEFAULT BUDGET OF THE TOWN

OF: TOWN OF HAMPSTEAD

For the Ensuing Year January 1, 2006 to December 31, 2006

or Fiscal Year From \_\_\_\_\_ to \_\_\_\_\_

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

## GOVERNING BODY (SELECTMEN)

or

Budget Committee if RSA 40:14-b is adopted

### INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen  
Town of Hampstead, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Hampstead, New Hampshire (the Town) as of and for the year ended December 31, 2004, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Hampstead, New Hampshire as of December 31, 2004 and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As described in Note 1 to the basic financial statements, the Town adopted Governmental Accounting Standards Board Statements Nos. 34, 37, 38 and GASB Interpretation 6 during the year ended December 31, 2004.

The management's discussion and analysis and the budgetary comparison information on pages 3-8 and 27-28, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

# INDEPENDENT AUDITOR'S REPORT

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Hampstead, New Hampshire's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

*Wadsworth, Clukey & Co., PC*

June 8, 2005

# SELECTMEN'S REPORT

Why is Hampstead a great place to live and what can we do to keep it that way while making the improvements that changing times require? Often there are different answers to the questions that confront us. What's critical, in my opinion, is the approach we take as a town in addressing our issues. By including as many perspectives as possible and using our committees, boards and commissions, we have an advantage over many other localities. The high level of personal, and mostly unpaid, commitment to this town is largely responsible for our success.

Likewise, our recent experience of difficulties in filling some committee openings should sound an alarm that reminds us "we are as a town, what we put into our town". There's training available from our State government and the Local Government Center for these positions. We encourage new volunteers and our existing members to take advantage of these as opportunities to serve our community and train for the future.

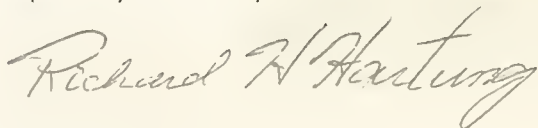

Recent town accomplishments include...

- Two new Full time Fire Fighters and one new Full Time Police Detective were approved by the voters and are currently serving.
- Hampstead Police Association receives donations for purchase of two OHRV's and trailer then with grants for officer wages begin patrols of town trails at no initial cost to the town.
- Hampstead Fire Association purchases and donates to the town a fully operational Aerial Tower Truck.
- The traffic lights at Rt. 111 & East Rd are completely installed and become operational.
- Emergency Management recruits and trains Volunteer Citizen Corps CERT team, a federal program, to assist in the community in times of emergency.
- Our official site [www.hampsteadnh.us](http://www.hampsteadnh.us) , while launched late in 2003, is increasingly improving the delivery of a large number of services to our citizens.
- Town portion of tax rate remains level to last year while continuing to increase reserves toward recommended levels

We would like to thank all our town employees for a job well done and ask for their continued support. This year special recognition goes to Phillip Torre who, after many years of service, is retiring from his position on the Recreation Commission. (See dedication page) We also thank Tina Harrington for her outstanding, and frequently unseen, efforts to keep the Selectmen's office running efficiently.

Sadly we said good by to our Administrative Assistant Laura Buono who left for another position. The Board has revised the job description and is actively seeking a replacement.

Respectfully submitted,

Rick Hartung  
Chairman

**2006 TOWN WARRANT**  
**THE STATE OF NEW HAMPSHIRE**

**FIRST SESSION OF THE ANNUAL MEETING  
(DELIBERATIVE SESSION)  
FRIDAY, FEBRUARY 10, 2006  
7:00 PM  
HAMPSTEAD PUBLIC LIBRARY**

**TO THE INHABITANTS OF THE TOWN OF HAMPSTEAD IN THE COUNTY OF ROCKINGHAM IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:**

You are hereby notified to meet at the Hampstead Public Library in said Hampstead on Friday, February 10, 2006 at seven o'clock in the evening, for the explanation, discussion, and debate of each Warrant Article, and to transact all business other than by voting by official ballot.

**SECOND SESSION OF THE ANNUAL MEETING  
(VOTING)  
TUESDAY, MARCH 14, 2006  
8:00 AM To 8:00 PM  
HAMPSTEAD MIDDLE SCHOOL**

**TO THE INHABITANTS OF THE TOWN OF HAMPSTEAD IN THE COUNTY OF ROCKINGHAM IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:**

You are hereby notified to meet at the Hampstead Middle School in said Hampstead on Tuesday, March 14, 2006 at eight o'clock in the forenoon, to elect officers of the Town by official ballot, to vote on questions required by law to be inserted on said official ballot and to vote on all Warrant Articles from the First Session.

**ARTICLE 1**

To choose all necessary town officers for the ensuing year. (By Official Ballot)

**ARTICLE 2**

**ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 1 AS PROPOSED BY THE PLANNING BOARD FOR THE HAMPSTEAD ZONING ORDINANCE AS FOLLOWS:**

Section III-8:8 MOBILE HOME ZONE D, Mobile Home Building Code

Amend # 1 to read as follows:

"Payment of building permit fee as provided in the Residential Fee Schedule."

And to amend # 3 to read as follows:

"A certification by the manufacturer of mobile home unit that such unit is New Hampshire Building Code and/or FHA/HUD Code certified."

# 2006 TOWN WARRANT

## ARTICLE 3

### **ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 2 AS PROPOSED BY THE PLANNING BOARD FOR THE HAMPSTEAD ZONING ORDINANCE AS FOLLOWS:**

Section II-1:1 B SOIL BASED LOT SIZE,  
Minimum Lot Sizes as follows:

"Wetlands may not be used as part of the computed lot size."

And to delete paragraph # 1 and paragraph # 2 of II-1:1 B SOIL BASED LOT SIZE, Size, Minimum Lot Sizes.

And to amend Table 1A Minimum Lot Sized by Soil Type by changing 5\*\*\*11

From Poorly Drained to  
"NA Poorly Drained"

## ARTICLE 4

### **ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 3 AS PROPOSED BY THE PLANNING BOARD FOR THE HAMPSTEAD ZONING ORDINANCE AS FOLLOWS:**

Article IV-10:0, ELDERLY HOUSING, Objectives and Characteristics, by adding to the end of the first sentence of the second paragraph the following:

"and New Hampshire Elderly Housing Statute, RSA 354-A: 15 and applicable state and federal regulations."

## ARTICLE 5

### **ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 4 AS PROPOSED BY THE PLANNING BOARD FOR THE HAMPSTEAD ZONING ORDINANCE AS FOLLOWS:**

Article IV-3:2 SWIMMING POOL ORDINANCE, E Special Exception by replacing the first unnumbered paragraph with the following:

" a. The Board of Adjustment may grant a special exception for an in-ground pool that cannot meet the setback requirements provided:"

And to amend Article IV-3:2 SWIMMING POOL ORDINANCE, E Special Exception by adding a new paragraph to read,

"b. Above ground pools on a non-conforming lot are excluded from this provision provided all setbacks are met."

## ARTICLE 6

### **ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 5 AS PROPOSED BY THE PLANNING BOARD FOR THE HAMPSTEAD ZONING ORDINANCE AS FOLLOWS:**

Article II-2:10 WETLAND ORDINANCE, Special Exception as follows:

Add a new paragraph E to read:

"E. The Board of Adjustment may grant a special exception for the placement of an above ground pool that does not meet the wetland setback. All other setbacks must be met."

Article IV-3:2 SWIMMING POOL ORDINANCE, E Special Exception to amend by adding a new paragraph to read,

"c. Above ground pools that cannot meet lot line setbacks must apply to the Board of adjustment for a Special Exception."

# 2006 TOWN WARRANT

## ARTICLE 7

### **ARE YOU IN FAVOR OF THE ADOPTION OF AMENDMENT NUMBER 6 AS PROPOSED BY CITIZENS PETITION TO AMEND THE TOWN OF HAMPSTEAD ZONING ORDINANCE AND ZONING MAP AS FOLLOWS:**

Expanding the Commercial Zone C-2 to include all of tax map 17 parcel 25 by amending: 'Article III-1:5 ZONE C-2 (COMMERCIAL) DISTRICT BOUNDARIES, Paragraph C, last description to read:

"Northwesterly: direction and parallel to the southerly line of Central Street, 710 feet, more or less to tax map 17, parcel 25, thence turning and running in a general

Northeasterly: direction along said tax map 17 parcel 25, 1200 feet, more or less, to the southern line of Central Street, thence turning and running in a general

Northwesterly: direction along said southern line of Central Street and said tax map 17 parcel 25, 650 feet, more or less, to the west side of New Hampshire Route 111, thence turning and running in a general

Southwesterly: direction along said westerly side of New Hampshire Route 111, thence turning and running 5350 feet more or less, to the beginning."(By Petition)

**(The Planning Board recommends approval of this Amendment).**

## ARTICLE 8

To see if the will Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$4,575,536.93. Should this article be defeated, the default budget shall be \$4,359,915.63, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only.

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 9

To see if the Town will vote to raise and appropriate the sum of \$27,000.00 (Twenty Seven Thousand Dollars) for the purpose of purchasing a wood chipper? This article will be non-lapsing until December 31, 2007

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 10

To see if the Town will vote to raise and appropriate the sum of \$75,000.00 (Seventy Five Thousand Dollars) to be added to the previously established Capital Reserve Fund known as the Fire Equipment Fund?

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 11

To see if the Town will vote to authorize the Conservation Commission to retain any unexpended portion of its 2006 appropriations as authorized by RSA 36-A:5 with said funds to be placed in the Land Purchase Fund account held by the municipal treasurer (RSA41:29)?

**(Recommended by the Board of Selectmen. NOT Recommended by the Budget Committee)**

## ARTICLE 12

Shall the Town vote to adopt the provisions of RSA 31:95-c to restrict all revenues from the Police Department OHRV fines, to expenditures for the purpose of purchasing OHRV Safety and Enforcement Equipment? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Police Department Safety and Enforcement Equipment Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue.

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

# 2006 TOWN WARRANT

## ARTICLE 13

To see if the Town will vote to create a revolving fund pursuant to RSA 31:95-h for Police Special Detail Funds. Money received by the town for public safety services outside the ordinary detail of municipal employees shall be deposited in the fund. The Town Treasurer shall have custody of the money, and shall expend the same only upon order of the governing body with no further legislative approval required. These funds may be expended only for police detail, police vehicle and equipment purposes and shall not be considered part of the Town's general surplus. Such funds may be expended only for the purposes for which the fund was created.

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 14

To see if the town will vote to raise and appropriate the amount of \$700.00 (Seven Hundred Dollars) for the purpose of funding prevention activities to be conducted by AIDS Response Seacoast?

**(NOT Recommended by the Board of Selectmen. NOT Recommended by the Budget Committee)**

## ARTICLE 15

To see if the Town will vote to raise and appropriate the sum of \$16,000 (Sixteen Thousand Dollars) for the purpose of purchasing a sand/salt spreader? This article will be non-lapsing until December 31, 2007

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 16

To see if the Town will vote to establish a town forest pursuant to RSA 31:110, to include Map 13 Parcel 57, containing 9.45 acres of land and Map 12 Parcel 53, containing 21.6 acres of land and to authorize the Hampstead Conservation Commission to manage the town forest under the provisions of RSA 31:112 II, and to authorize placement of any proceeds that may derive from this forest management in a separate forest maintenance fund which shall be allowed to accumulate from year to year as provided by RSA 31:113?

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 17

To see if the Town will vote to raise and appropriate the sum of \$11,000.00 (Eleven Thousand Dollars) for the purpose of adding on an equipment storage room at the Central Fire Station? This article will be non-lapsing until December 31, 2007.

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 18

To see if the Town will vote to change the status of the Children's Librarian from a part-time position to a full time position, and to raise and appropriate the sum of \$12,425.00 (Twelve Thousand Four Hundred and Twenty Five Dollars) which represents a partial year's benefits for that position. This article is non-lapsing until December 31, 2007.

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 19

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 (Twenty Thousand Dollars) for the purpose of furthering the construction of the new section of Lakeview Cemetery? This article will be non-lapsing until December 31, 2007.

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

## ARTICLE 20

To see if the Town will vote to amend the Code of Ethics Ordinance that was adopted on March 8, 2005, as follows:

"Change the definition of "Family" as it appears in Section 3: Definitions; to include: parents in-law, sibling's in-law, children in-law

And add:

Step-parents, step-siblings and step children.

**(Recommended by the Board of Selectmen.)**

# 2006 TOWN WARRANT

## ARTICLE 21

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000), supplementing funds in the budget, to institute a comprehensive Municipal Mosquito Control Program? This article will be non-lapsing until December 31, 2007.

**(Recommended by the Board of Selectmen. Recommended by the Budget Committee)**

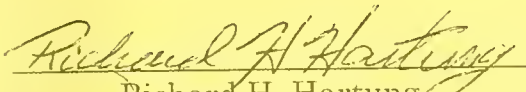

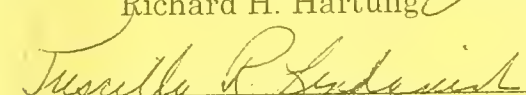

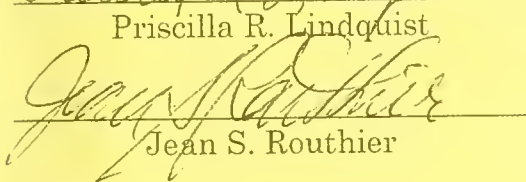

To transact any other business which may legally come before this meeting.

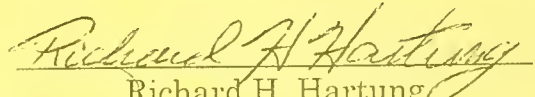

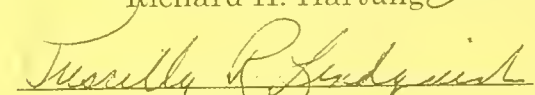

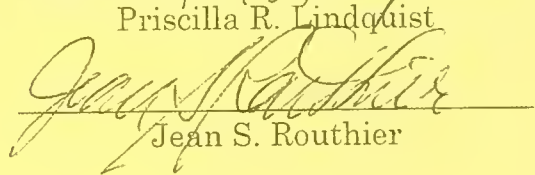

Given under our hands and seal, the 30<sup>th</sup> day of January, in the year of our Lord, Two Thousand Six.

A true copy of Warrant - Attest:

HAMPSTEAD BOARD OF SELECTMEN

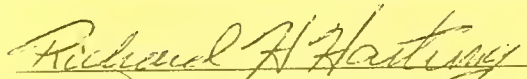

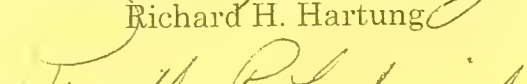

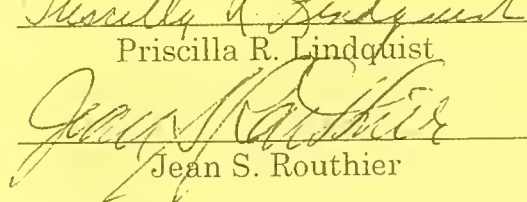

HAMPSTEAD BOARD OF SELECTMEN

# ASSESSOR'S REPORT

The assessing functions for the Town of Hampstead are being handled by Ed Elcik. He is the consultant for the Board of Selectmen for matters pertaining to property taxes and is available on Wednesday, Thursday and on Friday mornings. Dawn Shaw and Debbie Bryant are sharing the duties of the daily operations of the Assessor's Office.

The town has had data collection done over the past years in compliance with the Board of Selectmen as well as being under the auspices of the Department of Revenue Administration for the State of NH. Because of the volume of work that was required in 2004 the quarterly inspections barely got off the ground but now are in full swing with 3.5 days a week being devoted to the data collection of properties. Areas that are being visited are areas that have not been visited since 2000 and some in 2001. There will be an inspection of a little over 900 properties. Currently, data is being collected on Main Street and adjacent side streets. Tax Maps 1, 2, 3, 8, and 10 will be visited and then the 2 mobile home parks will be measured and listed. All dimensions on existing properties will be checked and a picture will be taken. If a home owner has a local address a door hanger will be left requesting the owner to call for an appointment. If the owner is an out of town resident, a letter requesting an inspection will be mailed. This is done so that the hanger won't be there for a long period of time.

The Department of Revenue Administration has established an equalization ratio of 89.6%. An update of assessments is required for 2006 since it is certification year and we are under 90%. A requirement is that we **MUST BE UNDER 90% AND NOT OVER 110% OF MARKET VALUE**. Keep in mind that the figure of 89.6% is as of April 1, 2005 which is some ten and a half months ago. It is expected that the estimated ratio will be lower for the upcoming tax year.

Development appears strong for the upcoming year as there are several hundred permits that the assessor needs to check in addition to the work being done for the quarterly inspection. The year will be busy indeed.

Submitted,  
*Ed Elcik*

Assessor

# BUILDING OFFICIAL'S REPORT

The year 2005 was another busy year for the Building Department as construction activity remained very robust. A total of 314 building permits were issued with a total construction dollar value of \$15,294,090, this represents a 30.7% increase over 2004. We expect construction to remain strong in 2006 as our information indicates another prosperous year.

In 2005 we have added 82 new residential units, 2 commercial buildings, and 230 alterations and additions. Look for several new commercial projects to start in the Route 111 corridor in 2006.

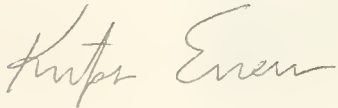

Two residential condominium subdivisions are in the process of being built. The names of the projects are Angle Pond Woods and Steeplechase. Single family residential homes continue to be built at various locations around town.

Debra Bryant and Dawn Shaw both work as support staff for the Building Department and Assessors office for the regularly scheduled business hours. I serve as Chief Building Official in a full time capacity. Colleen King is our newest staff member; she will be serving the town in the Code Enforcement position. Michael DiBartolomeo along with Robert Morache serve as assistant building inspectors. Michael DiBartolomeo also serves as our electrical inspector assisted by Anthony Ieule. Michael Hartnett continues as our plumbing inspector and Winthrop Stubbs assists him. Members of the Hampstead Fire Department perform Fire Alarm, Life Safety and heating system inspections.

Please remember to call for the inspections of your projects. You have paid for code compliant work and the inspection process can help assure that those requirements have been met.

I would like to take this opportunity to thank all members of the Building Department for their dedication and hard work during the past year. Your continued teamwork has been instrumental in the successful operation of the department.

Respectfully submitted,

Kris Emerson  
Chief Building Official

# CONSERVATION COMMISSION

The project of creating trail maps for the major conservation areas in town was finally completed this year. This two year project involved walking all the trails carrying a global positioning system (GPS) receiver to record the location of the trails. This data was then used by geographic information system (GIS) specialists at the Rockingham Planning Commission to create maps. Thanks to Ram Printing for giving the town a good deal on printing. Waterproof tear resistant trail maps covering both the Darby Brook area and the West Road area are now available for sale in the Town Office Building.

In celebration of Earth Day, the Conservation Commission sponsored a town-wide roadside trash cleanup day. Blue Hampstead trash bags were given out at the Town Office Building. Participants were asked to pick up trash from a designated section of road in town, and leave the full bags on the side of the road for later pick up. We also gave out Colorado blue spruce tree seedlings to those who stopped by. Despite the rainy day, we had a number of enthusiastic participants, and cleaned up much of the unsightly litter that collects on the sides of the roads over the winter.

A good amount of trail maintenance was completed this year. Commission members focused their efforts on the Dogwood, Maple and Birch trails in the West Road Conservation area and on the fields near the West Road parking lot. These fields had not been mowed in over 15 years and were reverting to forest. Open fields provide an important diversity of wildlife habitat, so we didn't want to lose them. Commission members and volunteer Doug Hauck attacked the growth with chainsaws and loppers. After three days of cutting, a brush hog mower was brought in to finish the job. Thanks to ECL Rentals for a discount on the rental of the brush hog, and to Bob Salter, manager of ECL Rentals, for his time operating the mower. Two and a half of the five fields in this area have been reopened. A generous grant from PSNH will support continued field reclamation in 2006. The Commission would like to thank the nameless other trail users who have helped keep our trails clear.

Two new parcels of land were donated to the Town for conservation purposes. The parcels are three and six acres in size, and are part of the Hog Hill Pond wetland. The donation was made by Mona Schreiber of Salem, New Hampshire.

Over the course of the year, the Conservation Commission completed an inventory of Town owned conservation land, as well as of privately held land that is protected from development by conservation easements. The Town currently owns roughly 1000 acres of land designated as either conservation land or open space. An additional 460 acres of land is protected by conservation easements. While Hampstead is very fortunate to have this much land set aside for conservation, more needs to be done. Land that we are all accustomed to seeing as open fields or forest is under intense development pressure. If not protected, it is only a matter of time before these properties are developed.

Two hundred fifty acres of Hampstead conservation land was enrolled in the American Tree Farm System in December. The purpose of the Tree Farm System is to promote sustainable forestry practices that focus on benefits to timber, wildlife, recreation, and water resources. In 2006 the Commission will work with a consulting forester to develop written management plans for these properties that take into account the nature of the land and timber, as well as the priorities and goals of the Commission. The land enrolled in this program includes the West Road Conservation Area, the Randall and Moore properties, and the parcel off Route 111 that is proposed to be designated as Town Forest on the Town Warrant.

The Commission would like to thank departing members Janet Thompson, Karen Hanides and Frank Price for their years of service. We also welcome new members Steve Mills and Michael Terille.

Respectfully submitted

David Treat,  
Conservation Commission Chair.

# EMERGENCY MANAGEMENT

In January of 2005 with the help of Arline Grant, Hampstead became one of the first towns in New Hampshire to have a trained CERT Team. Hampstead should be very proud that we had 24 local residents volunteer and complete a 20-hour training class. The course covered topics from searches to mass tragedies. The CERT Team will be a great asset to the town to assist the first responders such as the Police and Fire.

The CERT Team also had training on opening a shelter and a combined training with the Fire and Police Departments on search and rescue. More training is planned for 2006.

We also, with the help of a group of volunteers and employees, received a \$10,000 grant to complete a Hazard Mitigation Plan for the town. This plan was done by the Rockingham County Planning Commission. This will qualify the town for future grants.

We continue to add supplies to the town's emergency management trailer. This year we added more cots and blankets. We would like to thank the Hampstead Fire Department for the labor they supplied in stocking the trailer.

Respectfully Submitted,

Daniel Brickett, Emergency Management Coordinator

# FIRE AND RESCUE

The past year has been a history making period for Hampstead Fire/Rescue. It began with the favorable vote by the taxpayers to allow the hiring of two additional Firefighter/EMTs to provide better coverage for emergency calls. Central Station is currently staffed from 6:00 AM to 6:00 PM 7 days a week, and the Chief works 11:00 AM to 5:00 PM on a part time and as needed schedule.

Lt. Chris Beaudoin transferred from Hampstead to the Laconia Fire Department. He will remain on the call force with Hampstead, and we wish him well in his new position.

In early fall we hired 3 permanent Firefighter/EMTs: Gerald Mackey from Hampstead, Rob Wolinski from Chester, and Corey Ward from Danville to fill the open positions. There have been several instances of medical calls having a much better outcome for the patient due to quick response and medical intervention by our staff.

Our secretary Anita McDonald retired this year after providing faithful and competent service to the department for several years. We wish her the best in her retirement. Tracy Dudgeon has been hired to fill this part time position. She is also a certified Dispatcher, as well as a Firefighter/EMT, and will respond as needed for emergency calls.

The backbone of the department is still the volunteer/call personnel who provide night coverage and the necessary manpower for the rest of the emergency responses throughout the year. The Board of Engineers expresses their thanks to them and their families for a job well done.

In early summer the department had an opportunity to acquire an 85' Sutphen ladder tower. Since no town money was available for this unscheduled purchase, the Hampstead Firemen's Association stepped in and made the purchase, then donated the apparatus to the town. An aerial device was included in the long range plan for the fire department; however, the average cost of this equipment is over \$500,000 without any tools or hose. With the addition of this truck, we will be able to access the larger residential and commercial buildings in town.

The Board of Engineers has submitted two warrant articles for consideration by the voters. The first is a request to add \$75,000 to the Equipment Capitol Reserve Fund. With the average cost of fire apparatus approaching \$350,000, it makes sense to encumber monies in advance to lessen the impact of a purchase on the tax rate all at once. The second article is to add a storage room at the rear of Central Station. We currently store some of the equipment we use on the floor next to the apparatus, which is a hazard to our personnel when they are getting into the vehicles to respond to emergencies. The money will be spent for materials, and the labor will be provided by our personnel.

Hampstead is a member of the Southeastern New Hampshire Hazardous Materials Mutual Aid District (SNHHMMAD), which was organized as a regional solution to the hazardous materials response problem faced by smaller communities. The purpose of the SNHHMMAD is to prepare our communities regionally for responses to hazardous materials incidents with both trained personnel and equipment. The district is comprised of 16 communities (Auburn, Atkinson, Candia, Chester, Danville, Derry, Deerfield, Hampstead, Hooksett, Litchfield, Londonderry, Pelham, Plaistow, Sandown, Salem, and Windham) that cover approximately 400 square miles and contain a population of approximately 150,000 residents. It is the first of its kind certified by the State of New Hampshire as a Regional Emergency Planning Committee (REPC).

SNHHMMAD resources include two response trailers stocked with equipment, chemical reference material, and protective suits for use at a scene, as well as a response truck and trailer equipped for the team. Activation of the team is made by the request of the local incident commander to Derry Fire Dispatch Center. Trailers are strategically located to respond to any community requesting them. The team is made up of 40 members drawn from fire departments within the district, as well as persons from various backgrounds that act as advisors to the team in their specific areas of expertise. The team trains in the areas of transportation and fixed facility emergencies, weapons of mass destruction, clandestine drug labs, and confined space rescue. The SNHHMMAD

# FIRE AND RESCUE

provides several levels of responses depending on the type of incident, including the highest level of response available for Hazardous Materials, Level "A".

One other project of importance to the residents of Hampstead is the construction currently underway by the Hampstead Area Water Company to build a 500,000 gallon concrete storage tank which will provide a more consistent water supply to the approximately 950 customers they serve. The benefit to the fire department will be of major importance as we will be able to budget for and install hydrants along the water mains to supply a reliable, year-round water supply for fighting fires.

2005 was a busy year for Rescue/EMS. We had over 450 calls which make up more than 50% of all of the calls within the department. The department currently has 28 Emergency Medical Technicians (EMTs). Of those 28, we have 12 with advanced life support licenses (EMT-Intermediate and EMT-Paramedic). Medical training is important to the fire department with personnel involved in in-house and outside courses to enhance their medical knowledge and skills throughout the year. This shows that the department is dedicated to providing the town the most advanced and up to date medical care possible. We were able to purchase a new cardiac monitor/defibrillator in 2005 and have used it on several calls. Through many generous donations made to Rescue/EMS, we have been able to purchase important medical equipment that is used on a daily basis. In 2005, EMS provided volunteer coverage at town events including the July 4<sup>th</sup> fireworks, St. Anne's festival and the Junior Olympics. We appreciated everyone's support with donations made through t-shirt sales and "fire boot" donations. It was a busy and rewarding year for Rescue/EMS, and we look forward to the year ahead.

Permits to burn must be issued in writing at all times of the year, unless there is snow cover. In this case, permission will be given verbally by calling Central Station between the hours of 6:00 AM and 6:00 PM at 329-6006.

Chip Hastings, Chief	Jim Gilmartin, Deputy Chief

# FOREST AND STATE FIRE WARDEN

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217, or online at [www.nhdf.org](http://www.nhdf.org).

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

# HISTORIC DISTRICT COMMISSION

Incorporated 1749

## TOWN OF HAMPSTEAD

### HISTORIC DISTRICT COMMISSION

11 MAIN STREET • HAMPSTEAD, NEW HAMPSHIRE 03841

In 2005 the Commission had the Paul Revere Jr. bell in the Old Meeting House stabilized so it could be “tolled”. That is, it can be rung by moving the clapper against the bell itself. The “yoke” that the bell is hung from is very warped which prevents it from being rung by swinging the bell in the normal fashion. We have made arrangements with Mid Maine Restorations ( the company that did the steeple and weathervane last year) to build a new yoke and install it for us. At the end of the year work was started on replacing the rotting sills and doors of the belfry. The cement pad that had been poured over the old large entrance stone (7 feet by 4 feet) and against the building was removed. If anyone has a flat stone about 5 feet by 2 feet they would to donate to go on top of the old step it would be appreciated. The Meeting House was used forty three times in 2005.

Painting of the Historic Museum (Old Library) started in the late fall and will be finished in the spring. A section of the plaster ceiling in the Museum started to break away from the lathes, so we have had that repaired and it will be painted soon.

On the Sunday before Thanksgiving the Commission sponsored the Annual Thanksgiving Service in the Old Meeting House. Thank you Rev. David Yasenka and Rev. Paul Sweet along with Joseph Kurosz and the choir made up from the various churches.

We can't thank the Garden Club enough for the flowers and shrubs around the Old Meeting House and Museum that they maintain all year and also the Christmas decorations for the two buildings. THANK YOU LADIES !

Maurice Randall, Chairman  
Hampstead Historic Commission  
And Town Historian

# PUBLIC LIBRARY

"I have come to realize that one of the most important characteristics of the library of the future is its role as place—a destination for many who seek a social environment in which to learn and grow." —Carol Brey-Casiano, ALA President & Director of the El Paso, Texas Public Library.

With the completion of the second floor of the library building, the Hampstead Public Library has entered a new phase in its life. The new meeting room space allows the library to plan and provide more programs, events, discussions and meetings than ever before in its history. Almost 36,000 times during the year, the door opened to residents bent on using the new space for book selection, research, and program attendance. Comfortable seating provides patrons with a place to sit and read the papers and magazines, and talk to others about issues important to them. Of those people who came to the library, 5,300 came to enjoy programs and presentations provided in our new and renovated spaces.

Louise Pryor, long time staff member, is in charge of planning and production of adult programs. Book discussions, meet-the-author opportunities, health issues, financial topics, musical presentations, food and crafts were among the varied topics presented at the Library this year.

Patty Falconer, Children's Librarian, provided exciting and imaginative program opportunities for the young people. Story hours for preschoolers gave our youngest patrons an introduction to an organized social learning environment. Age appropriate materials were provided for parents to read to children to help insure that our first graders are ready to learn to read when they enter school. School age children were treated to programs on weather and science, among other subjects, and time was set aside to enjoy social learning activities such as an indoor game day and cooperative outdoor learning experiences. Problem solving was often the order of the day, with much laughter ensuing when plans didn't always come out as predicted! The summer reading program was a big hit among the school-aged group, with 141 young people reading a total of 1564 books in six weeks. Camp Wanna' Read was a very popular place!

Our very faithful volunteers continue to assist staff on both a regular and occasional basis. Their help means we can more easily provide quality service for everyone in town. Margaret Noonan, Dorothy Roderick, Maxine Stull, Howard Hamel, Mary Winchell, Barbara Dennis, Mary Sukiel, Rachel Stilling, Angie Stilwell and Nancy Myers provided countless hours of cheerful help.

Town organizations also provide support for the Library. The Hampstead Garden Club makes the Library and story garden more beautiful every year. The Civic Club provides funding for special programs for children throughout the year. They also provide the pass to the Boston Aquarium. CRA provides the pass to the Christa McAuliffe Planetarium. The Hampstead Mothers' Club provides half the Science Museum pass and half the Boston Children's Museum Pass. The Mothers' Club also continues with its long-standing tradition of honoring each baby born to a member with a book donated to the Library children's collection. The earliest of the 'baby books' from the Mothers' Club date from 1978! It is wonderful to have such a long history of generosity from this active group.

The Friends of the Library continues to be a major support for the programs of the Library. It provides half the cost of the Museum of Science pass as well as the pass to the Boston Fine Arts Museum. It holds monthly programs that are free and open to the public. Both the New Hampshire Humanities Council and the Friends financially support many of these programs. Fund raising activities of the Friends include the six-week summer Thrift Shop, the Holiday House Tour held every other year and the yearly auction in November. The Friends also support the Summer Reading Program and other activities during the year, and provide promotional materials for the Library.

Last winter, the Turner family chose to direct donations to the Library in memory of their daughter, Whitney. The Library is very appreciative of the kindness of that gesture. After consultation with the family, the funds from those donations have been invested, with the proceeds to be used each year to purchase children's materials in her memory. In this way, Whitney will always be remembered by the people of Hampstead.

The Board of Trustees was very sorry to accept the resignation of long time Chairman of the Board, Jay P. Burns, who served on the Board for 18 years, most of those as Chair. Everyone connected with the Library is glad that he continued his service to the Library until after the building was completed. His calm attitude and steady dedication were thoroughly appreciated and are sorely missed.

In August, Robert Kuhl was welcomed as a member of the Board of Trustees. Mr. Kuhl was first appointed as an alternate member by the Board of Selectmen until the next election. We hope he will be with us many years.

# ORDWAY PARK

Hampstead and the Friends of Ordway Park Committee extend a big thank-you again this year to the Hampstead Garden Club for the continuing work on their adopted civic site in Ordway Park. Their handiwork creates a special centerpiece in the park and brings pleasure to many in the community. The plant tags help admirers identify plants which could be introduced to home gardens. The town is fortunate to have such a talented independent organization contribute to the community in many ways and places – including Ordway Park.

This year FORPARK was pleased to help support Speak Up, Hampstead with a \$100 contribution from funds raised last year. We set up an information table at the two-day event and members of FORPARK participated in the program. It was interesting, well organized, and helpful to the community. A spring volunteer work day in the park was organized by participants in Speak Up, Hampstead, and the committee appreciated the willing and productive hands that turned out to work on May 14. The Ordway Park Junior Committee participated in the work day. Thank you to Speak Up, Hampstead, the new volunteers, and the Junior Committee for your help.

On June 12 we hosted a Community Picnic to honor the 50<sup>th</sup> anniversary of the end of WWII in Europe. Veteran Forrest Brown represented the VFW and was joined by Selectman Richard Hartung. Mike Donnell broadcast his WGIR AM 610 radio program, "Chat N Chew With the Big Guy and the Mrs." live from Ordway Park, and artist and teacher Michael Terrile painted on site with students. Bottled water was donated by Old Kerry Bottling Company in Salem and use of a portable toilet was donated by Pete's. Members of the Junior Committee volunteered. We introduced the granite "Soapbox" donated by the Friends of Ordway Park., and Konstantin Bartnisky of Belarus joined us with his guitar.

We were pleased that the park was one of the "open air" painting sites for artist and teacher Michael Terrile's art class. We appreciate the artists' willingness to share their work with visitors to the park.

The Junior Committee hosted the annual bonfire and storytelling. Thank to Natalie Gallo, who returned to delight listeners, and the Hampstead Fire Department, who checked on the bonfire. The Junior Committee raised money for their float in the annual Santa parade. Their energy, enthusiasm and creativity earned them a First Place trophy for their float. Mentor Connie Maines oversaw their work, and parent Mr. Eytel provided the "ride". Thank you to all who participated in the Juniors activities of 2005.

This year, we add a thank you to Virginia Clark, who resigned from the committee after serving since the committee's organization in 1996. She has been an insightful and imaginative founding member and we're grateful for her input and support for so many years.

FORPARK regrets canceling the Harvest Fest part of the annual bonfire. We're actively looking for new members and volunteers, and look forward to being more productive with fresh input.

The Friends of Ordway Park

# PLANNING BOARD

Hampstead continues to enjoy development at a subdued pace. The Town has a gradually shrinking inventory of buildable land parcels in all zoning districts. There will continue to be some new developments or re-cycling of older sites, but we do not anticipate seeing several new large residential or commercial developments in the near future. Hampstead will continue to be impacted by new development in the surrounding communities however. Such development will principally impact traffic patterns.

The year 2005 was marked by the review of generally minor subdivisions and small site developments. Subdivision approvals created 12 new house lots. Site plan reviews included 2 mini-malls along Route 111; 8 additional condominium living units for seniors in Village Green and a 20 unit condo-apartment on Emerson Avenue. Additionally, 22 units for age 55 and older and 2 small office buildings were conditionally approved.

Hampstead is participating with other towns in the region in planning groups to evaluate the potential impacts of the planned widening of Interstate 93 from Salem to Manchester.

The Board continued its practice of proposing articles for the improvement of our zoning ordinance, especially in response to issues identified by Code Enforcement or the Board of Adjustment. The support of the voters is appreciated.

2006 will bring its' own opportunities and challenges for the Town and we look forward to our role in helping the Town take advantage of any opportunities.

Respectfully submitted,

Bill Kelly, Chairman

*Karen Hanides, Susan Hastings – secretary, Bill Kelly – Chairman,  
Bob Waldron, John Naylor  
Missing: Randy Clark, Bill Weber and Jean Routhier*

# POLICE DEPARTMENT

I would like first to take this opportunity to thank all the residents of Hampstead for allowing me to serve as your Police Chief for the last six years. In 2005, as with years past, things are always changing. The one thing you can count on is that with the growth of our population we will see an increase in our calls for service.

In anticipation of this I submitted a warrant article last year to add another full time officer to our roster. Thanks to the voters, we were able to create that position in 2005. In July we hired Ken Owen to work as our first full time police detective. Ken brings with him many years of experience in the law enforcement field. He started his police career with the Town of Hampstead in 1985. He then worked for the Pelham Police Department as a K-9 handler and patrol officer. Since July, Detective Owen has investigated several burglaries, fraud cases, sexual assaults and drug activity, to name a few. His work, teamed with our patrol officers, has resulted in arrests and the criminal prosecution for these offenders. Having his position dedicated to the investigation and follow up of these type of crimes has allowed our patrol officers to maintain visibility on the street.

The police department has submitted two warrant articles this year. Articles 12 and 13, which were recommended by the Board of Selectmen and the Budget Committee, are seeking to maintain accounts specific to the police for revenue that is generated by our department.

In closing, I would like to thank all of my officers and dispatchers. Their dedication to this profession and to the Town of Hampstead has made my job easier. I also wish to thank all those who have supported our department this past year and were there to lend assistance when we needed it. They include but are not limited to: Hampstead's Fire / Rescue, Highway Dept., Sanborn's Towing, Nick's Towing, AG's Auto, Phillip's Auto, NH State Police, FBI-Bedford field office, Police Departments from Sandown, Plaistow, Kingston, Danville, Derry, Atkinson and Salem, U.S. Park Police-Boston K-9 Division, Family Mediation and Juvenile Services, A Safe Place, Sexual Assault Support Services, Parkland Medical Center, Center for Life Management, Exeter Hospital, the Children's Advocacy Center, and Victim's Inc. The support of those and so many others allow our department to provide the Town of Hampstead with our best service.

Respectfully submitted,

Joseph A. Beaudoin, Jr.  
Chief of Police

# RECREATION COMMISSION

The Hampstead Recreation Commission (HRC) administers and supervises several recreation programs and all recreation facilities available to the citizens of Hampstead. Members include: Chairman Deb Highfield, Phil Torre, Stan Lewis, Cathy Drivas, Daniel Jendrick and Alternate Kim Colbert. Angie Ingraham holds the position of Recreation Director. The Hampstead Recreation Commission meets the third Monday of every month at 7:00PM at the Town Hall and the meetings are open to the public.

The summer program for children was our major yearly activity, involving approximately 280 children, ages 6 through 13. Program sites were at the Memorial Gym and the Hampstead Central School. The activities, sports, and art and crafts were offered daily. Special activities provided were: a pizza party, a water carnival, a penny carnival, a time travel art day, a magic show, and lip sync day. There were trips to the Town Beach, as well as other exciting field trips, such as Fisher Cat Baseball Game, roller-skating, bowling, Canobie Lake, Water Country, a day at the movies and climbing the walls at Vertical Dreams.

Other programs offered were a four-week session of tennis lessons, and the Hampstead Junior Golf League. Lessons for teens 13 to 16 years of age with six weeks of golfing at Brookstone Park in Derry, NH were also offered. Swim lessons were available at the Town Beach with three different age groups.

The Town Beach was a popular spot on the hot days. We're pleased to report that weekly water testing showed that the water quality remained very good this summer. The HRC maintained and staffed the site from Memorial Day through Labor Day. A beach parking permit continues to be required and available at the Town Clerk's Office in Town Hall. Fees are five dollars for residents and twenty-five dollars for non-residents.

The Hampstead Memorial Gym was renovated the year. The gym's bleachers, walls, and downstairs, the bathrooms were replaced, the stairs were refinished and the entrances carpet replaced. Residents who wish to use the facility should call the Recreation Director for scheduling. Besides Civic Club basketball for children, there are also women's and men's league basketball, the Masters' basketball, men's volleyball, women's volleyball, Civic Club, CRA activities, and the senior walking group who use the gym on a regular basis.

The outdoor recreational facilities (fields) underwent renovations and additions in 2005. The old little league field had a major facelift by replacing the infield and adding sod and clay baseball mix. The other little league field had all basepaths recut and baseball clay mix added. The Babe Ruth field had sod added from the basepath to the dugouts. The girls softball field had the infield surface recut and stonedust added. New plastic fence cap top's were purchased for the girls's softball field for the outfield fence. A new batting net and cage were purchased for the little league field.

Once again Hampstead was proudly represented at the Hershey Track and Field events in Rochester. Congratulations to the thirty-five athletes who participated in the events. To spark interest in the meet, and to offer practice opportunities, we had our fifth year of a running club team at their track for practices.

A special thank you to Cleta Berry and Joe Tabbi for coordinating all the trips for the seniors. Some of the places they went included: Foxwoods, Amesbury Playhouse, Fosters Clambake, Indianhead, Mohegan Sun and a ride on Mount Washington. The HRC appreciates the volunteer efforts of these two people and for doing such a wonderful job with the planning.

The Annual Senior Citizens' Holiday Dinner was held in December, once again held at the Hampstead Middle School and served by several community members. The dinner was catered by The Kieley Corporation. The food was excellent and the dinner was a success. Joe Knight on the keyboard, a choir group under the direction of Cindy Verrill and piano playing by Riley McKechnie provided entertainment. We extend our thanks to all who volunteered time to help make this day an enjoyable success. Hampstead Girl Scout Troops (decorations & set-up), and all the generous pie baking volunteers, Mark Greenlaw (MC), and almost fifty Hampstead citizens worked and/or served our senior citizens. We extend our thanks to all who volunteered time to help make this day an enjoyable success.

The HRC also thanks the active members of our community who give of their time and talent to assist us in our varied programs. Volunteers add to the success and richness of all of our programs.

The HRC would like to express their sincere thanks to the Civic Club, Soccer Club and Hampstead Association of Softball and Baseball, Lacrosse and Wildcat football for their continued donations of time and money to the improvement and upkeep of all Town's outdoor facilities.

A special thanks to Phil Torre for his dedication to the town of Hampstead volunteering on the Recreation Commission for twenty-two years. He helped develop the Depot Road and Holiday Lane field along with serving as chairman for many years. Phil will be missed and has touched many people's lives during his time on the Commission. Thank you Phil, you will be missed.

Respectfully submitted,

Angie Ingraham  
Recreation Director

# ROAD AGENT

The year 2005 was a busy year for the Highway Department.

In the month of January and February we had large snow and ice storms. FEMA allowed us to apply for a grant to recover some of the costs of these two storms. Thanks to the help of Laura Buono, we were able to receive a total of \$26,844.16 in grant money, which we were able to apply to the bottom line of the 2005 budget.

There was a lot of reconstruction on Central Street this year as well as hot topping done on Tewksbury Road, Hemlock Heights, Blue Heron Ave., Duston Ridge Road, Birchwood Road, Gingerbread Lane and Corliss Ave. Each year there is an estimated list as to what roads we expect to work on.

We worked on cutting brush on the sides of the roads, as we have in past years. There were some culverts cleaned and replaced in various spots around town. The Highway Department has started mapping culverts and the catch basins around the town.

You will notice there are new larger street signs going up around town. This year there were many that went up. There will be new signs put up each year until the whole town is completed.

Waste oil is accepted at the Town Garage on first and third Saturday's of each month from 8:00 a.m. – 1:00 p.m. Please remember to bring your used oil down. By burning waste oil, we are able to save money in the heating of the building by purchasing less fuel.

I would like to thank the residents of Hampstead for giving me the opportunity to serve the Town of Hampstead in this capacity and for their continued support and communication throughout the year. I look forward to a successful and productive 2006.

Respectfully submitted,

Jon Worthen  
Road Agent

# ZONING BOARD OF ADJUSTMENT

In 2005, the Hampstead Zoning Board of Adjustment heard 23 requests for a Special Exception. 22 requests were granted and one request was denied.

The Board heard a total of 15 variances –

12 variances were granted, (one for a seasonal conversion.)

3 Variances were denied, (one for seasonal conversion.)

Two requests for Equitable Waivers were granted, and one Appeal from an Administrative Decision was heard, resulting in the overturning of a decision of the Assistant Building Inspector.

Only one of the Board's decisions was taken to court in 2005. In this case, the court ruled that the decision of the Board be upheld.

The Board membership has remained stable this year with 5 regular members – Dave Murphy, Bob Cairns, Dwight Bannister, Janet Thompson and Colleen King.

Our two alternates Kristen Yasenka and Neil Emerson have been very active and have been present at every meeting.

And many thanks to our Recording Secretary Dawn Shaw, who reached a milestone of 20 years service to the Town of Hampstead in 2005. Dawn has been very helpful and I have appreciated her experience and dedication this year.

Respectfully submitted,

A handwritten signature in cursive script that reads "Colleen King". The signature is written in dark ink and is positioned above the printed name of the signatory.

Colleen King, Chairman

Business Administrator

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

### Dr. Douglas B. McDonald

It is my pleasure to submit my eleventh annual report.

#### Proposed Budget

The proposed budget is \$19,824,832. The major factors impacting the budget this year include high school tuition to Pinkerton Academy, utilities, facility repairs and improvements, technology, and salaries and benefits. The board established five goals while developing the budget. They are:

1. To implement Public Kindergarten and develop a comprehensive Early Childhood Program. To continue the process of curriculum improvement with introduction of a new science program at HMS.
3. To complete the (SY 2005 – 2006) implementation of the new math programs at HCS and at HMS.
4. To establish an Equipment Replacement Schedule that provides for instructional needs, adequate functionality and safety.
5. To contract for a district Facilities Audit and develop a 10 year plan for facilities maintenance to ensure that buildings are properly maintained and meet the needs of our student enrollment and educational programs.

The default budget is \$19,660,042, or \$164,790 less than the proposed budget. Not included in the default budget is the increased funding for repairs and improvements to district facilities, the increase in the substitute teacher account to more closely reflect actual costs and increases in equipment and technology.

#### Kindergarten

The Hampstead School District will open a half-day public kindergarten program in the fall

*Douglas B. McDonald, Ed.D.*

of 2006. Four classrooms were renovated during the summer of 2005 and furniture and equipment will be purchased this spring. The district received a grant to pay for 75% of the cost of renovations, furniture and equipment. Over sixty children have already registered and we expect to open with an enrollment of 75 to 80 students the first year and an enrollment of 100+ in the second year.

The board and administration will transfer teachers from grade 3, grade 5 and the TEECH program to accommodate kindergarten and pre-school staffing needs thereby significantly reducing the need for additional staff. The district also expects to receive \$1,200 in state aid for each kindergarten student further reducing the initial cost of the program.

If you have any questions about the kindergarten program or if you wish to register your child please contact Principal Dillard Collins at the Hampstead Central School.

#### Hampstead Education Association Contract

The Hampstead Education Association and the Hampstead School Board reached a four-year collective bargaining agreement through 2009-2010. The collective bargaining agreement

covers over 100 teachers, nurses, guidance counselors and educational specialists. The agreement provides for a 2.5% increase + step in 2006-2007, a 2.5% increase + step in 2007-2008, a 3% increase + step in 2008-2009 and a 3% increase + step in 2009-2010. Approximately one half of our teachers are at the top of the salary schedule and do not qualify for a step.

Hampstead salaries are competitive within southern New Hampshire. With the exception of the top step of the salary schedule and the Masters+45 track, Hampstead salaries tend to run slightly below average for the region in all other steps and tracks of the salary schedule. This was not always the case in Hampstead. Prior to the last agreement, which was defeated twice by the voters before being approved, Hampstead teacher salaries were above the region average. That changed with the third negotiated contract, which was approved by the voters after the first two contract proposals were defeated. In 2003-2004 as a part of the approved contract, Hampstead teachers were given a 2.25% increase but no step increase. That year teacher salaries, except for the very top step of the salary schedule and the Masters+45 track, went from above average to below average for the region. Even though teachers received a percentage raise and a step in 2004-2005 and 2005-2006 district salaries never caught up.

The following table shows how Hampstead 2005-2006 salaries compare with average starting salaries in the area schools that we compete with for faculty. The average salaries shown in the table are calculated using 21 area New Hampshire and 9 area Massachusetts school districts.

<b>Starting Salaries</b>		
	Bachelor	Master
Hampstead	\$31,252	\$35,553
NH Area Districts	\$32,485	\$36,003
MA Area Districts	\$35,046	\$38,739

We realize that some members of the budget committee and some citizens may not like the fact that approximately 50% of our teachers get a percentage raise and a step that results in them getting a higher percentage increase than the rate of inflation. The other 50% of the teachers who are at the top of the salary schedule, however, get a raise that is less than the current 3.7% rate of inflation in our area. Salary schedules are designed so that less experienced and lower paid teachers move toward the top of the salary schedule as they develop more experience and as they earn higher degrees. Every school district in our area has a salary schedule designed this way. In every school district in the area teachers who qualify for a step increase get a higher percentage increase than those teachers at the top of the salary schedule. We realize that some individuals feel we need to change the system and in 2003-2004 Hampstead bucked the trend and gave teachers only a percentage raise without a step increase. In one year as a result of that decision, Hampstead teacher salaries, except those at the very top, went from being above the region average to slightly below the region average. If we follow the advise of these individuals and only give percentage raises without steps it will only take a couple of years for Hampstead to have the lowest starting and mid-range teacher salaries in the region.

The proposed contract should enable the school district to provide a competitive salary and fringe benefit package even though the Hampstead salary schedule, with the exception of the very top step and track, will continue to remain below the region average. Hampstead is fortunate to have a hard-working and dedicated faculty. The voters need to decide if district teachers should continue to have a competitive salary and fringe benefit package or if Hampstead should fall further behind. The contract, if approved, should allow us to continue to attract and retain quality teachers when vacancies occur and reward the current teachers for their outstanding service to the children of the community.

**Retirement**

We would like to recognize and thank three outstanding teachers, Pat O'Connell, Bob Wilmot, and Jeanne Sullivan, who retired last year. Their commitment and dedication to the children of Hampstead has been exemplary.

We shall also miss Richard Fugere who retired in June after 29 years in the Hampstead and Timberlane School Districts. Dick served the community of Hampstead in his role as Assistant Superintendent of SAU 55 and as the principal of the Hampstead Middle School. His leadership, sense of humor and commitment to children made a positive difference in our schools.

**Conclusion**

In closing I would like to welcome Assistant Superintendent of Schools Richard LaSalle to the Hampstead and Timberlane School Districts. Mr. LaSalle joins SAU 55 after serving the City of Nashua for 30 years as a teacher, assistant principal, principal and assistant superintendent. He has already had a positive impact on our educational programs.

Once again, I would like to recognize our faculty and staff for their dedication to our schools. Their commitment makes our schools such a wonderful place for children. I hope the community supports our faculty and staff so that we can continue to provide the children of Hampstead with schools of excellence.

**ENROLLMENT**

## REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

Richard A. LaSalle

The Hampstead School District is a perfect compliment to the historic Town of Hampstead. Children learn and grow while attending classes in the historic, yet modern facilities at Hampstead Central School and Hampstead Middle School. High school students attend classes and thrive at Pinkerton Academy in Derry, New Hampshire.

place as the only State assessment at the high school level.

### Enrollment Projections

The New England School Development Council (NESDEC) is the consultant Hampstead has used annually to provide enrollment projections for the District's grades K-12.

As indicated in the chart below, it is anticipated that over the next 4 years there will be a steady decline in student enrollment in grades 1 through 12. This anticipated decline will be partially neutralized by the addition of public Kindergarten with an anticipated enrollment of 75 to 90 new students at Hampstead Central School. Projections

Hampstead schools are truly "communities within the community" where dedicated staffs partner with community agencies and parent volunteers to provide a safe, enriching and state-of-the-art educational experience for all children. To this end, the Hampstead School District offers a Ventures Program to enrich and challenge students above and beyond the regular curriculum and Title I and Special Education programs to support students and provide for their unique learning needs. The Hampstead School District delivers on the promises of "No Child Left Behind".

### Assessment

The State Department of Education has developed a new statewide assessment program that is compliant with the mandates of the Federal "No Child Left Behind" reform initiative. The "NECAP" tests differ from the previous assessments (the NHEIAP) in several significant ways. The NHEIAP was administered in the spring to students in grades 3, 6 and 10 only. The new NECAP assessment was administered this fall to all grades -- grade 3 through 8. Annual testing is designed to allow for a stronger focus on "annual progress" and will provide teachers with valuable information to improve instruction and to provide for the needs of individual students. The State anticipates releasing the NECAP results from the fall 2005 testing in March of 2006. Currently, the grade 10 NHEIAP remains in

indicate that the elementary enrollment will remain relatively steady, the middle school enrollment will decline significantly, and the high school enrollment will decline slightly.

During School Year 2006-2007 the District will eliminate one TEECH (Special Education) kindergarten position, one grade 3 teaching position, and one grade 5 teaching position. These three teaching positions will be transferred to the Kindergarten program and will serve to fully staff the newly developed Kindergarten program without creating a need for additional staff.

## PINKERTON ACADEMY REPORT

Pinkerton Academy, a private secondary school (grades 9-12) located in Derry, was founded in 1814. It is accredited by the New England Association of

Schools and Colleges and the New Hampshire State Department of Education. The school, named after Major John and Elder James Pinkerton who endowed the school, began classes in 1815. Although private in operation, it serves as the area *high school* for several towns in the vicinity. At present, Derry, Chester, and Hampstead have long-term contracts with the Academy.

Pinkerton Academy is governed by a Board of Trustees, and the direct operation of the school is in the hands of the Headmaster. The Trustees are a self-perpetuating Board and serve without compensation. Each sending town is represented on the Board. An emphasis on mastery of fundamentals and basic skills precedes progressive study in a wide variety of advanced areas. The overall program is quite comprehensive with studies in English, Mathematics, Science, Social Science, Foreign Language, Business, Technology and Applied Sciences, Family and Consumer Science, Physical Education, Fine Arts, and Special Education.

At present there are 3,423 students at Pinkerton, along with approximately 290 professional staff. Students from Derry, Chester and Hampstead attend Pinkerton and the respective school districts pay a tuition rate that has consistently been less than the State average. The school districts provide daily bus transportation for their students. The campus is similar to that of a small college, with approximately a dozen buildings used for instruction in various subject areas.

History, tradition, and structure are words that are often mentioned in reference to Pinkerton Academy. Scholastic programs and behavioral expectations and standards are clearly outlined in student publications. The focus is on maintaining an educational atmosphere and providing programs that are in the long-range best interests of the students.

Pinkerton Academy encourages parental involvement throughout a student's academic career. The *CROW*, a newsletter for parents, is published several times during the year with valuable information and events at Pinkerton. Additionally, parents are encouraged to attend three annual meetings that are scheduled with the Administration.

All courses in Pinkerton's major academic areas of study (English, Math, Science, Social Studies, some Language and some Business courses) are leveled. Courses designated *A - College Prep* are designed to offer maximum academic preparation for four-year colleges and universities of the highest caliber. Courses designated *B* are designed to offer both scholastic preparation for colleges and other post-secondary institutions and general preparation in a wide variety of areas. Courses designated *C* are designed to develop basic skills, stress fundamentals, and offer general preparation in a wide variety of areas.

Courses that are labeled *Honors* are designed to offer scholastic challenge to students whose academic records and personal motivation indicate a preparedness to take on the most rigorous coursework offered at the Academy. Advanced Placement programs in Chemistry, Physics, Biology, Psychology, Calculus, Statistics, Economics, European History, French, German, Spanish, Music Theory and US History are also offered. Special independent study programs are available for selected students.

## Pinkerton Academy Class of 2005

### College Admissions and Post-Secondary Information

Assistant Principal	Christopher Harper
Assistant Principal	Glenn Ahrens
Assistant Principal	Jody Hinds
Assistant Principal	Julie Machakos
Assistant Principal	William Patriquin
Assistant Principal	Elizabeth Rodrick
Assistant Principal	Kevin Yahnian

### ***New Ways to Get the News***

Pinkerton Academy publishes a student newspaper called *The Kaleidoscope*. Written by members of the school's journalism class, the paper covers school news, events, features, and sports. Interested parents, alumni, and friends may request a copy by calling advisor Nancie Stone at 437-5200, ext. 4296.

The Academy went on-line last year with its own home page on the World Wide Web. Information about the Academy is updated frequently under the leadership of faculty member Steve Thissell. Among the regular topics are The Parents Pages, The Alumni Center, What's New, Cafeteria Menus, and School News (the school's web address is [www.pinkertonacademy.net](http://www.pinkertonacademy.net)).

### ***Edline Program Now Available***

Parents are encouraged to use Pinkerton's Edline services by going to [www.edline.net](http://www.edline.net). This on-line extension of the school allows parents to securely view information from your child's classes including category grades (like homework, tests and quizzes), term averages and attendance. Grades will be posted every two weeks. Parents are also able to email teachers with questions and concerns using the program. Please contact Bruce Berchtold with any questions at 437-5200 extension 1133.

### ***Special Needs Programs***

Pinkerton has several special needs programs serving over 400 students. Often considered "model" programs by other state high schools, they address various educational handicaps including learning and developmental disabilities, and emotional disturbances. Pinkerton also offers these students specialized programs in reading, speech, language, and counseling. Those who can academically meet graduation requirements receive support services toward earning a diploma. Those who cannot complete requirements are encouraged to strive for a certificate of completion, and graduation participation.

### ***Linking Education with Careers***

The Academy's *School-to-Careers* program links education to the world of work. Designed to help select courses based on career interests,

it gives students focus, an awareness of career paths, and a sense of direction. In the spectrum of community work-based learning experiences are job shadowing, mentoring, school-based enterprises, internships, guest speakers, and group visits.

### ***Providing Comprehensive Counseling***

Pinkerton has a Student Assistance Program to help students overcome alcohol and/or drug problems. The SAP coordinator, Chris Hinds, works with Guidance, Special Education, Nursing and the Administrative staff to provide integrated in-school support to students based on mutual clinical recommendations. Concerned parents should call the Guidance Department at 437-5200, ext. 1129.

### ***Student Electives Are Numerous***

Supplementing the strong academic program are numerous electives for students with special interests. Among these are Public Speaking, Small Engines, Music Theory, Drama, Anthropology, Basic TV Production, Ceramics, Design and Calligraphy, Parenting, Contemporary Problems, Needlecraft, Advanced Food Preparation, Applications in Technology, Botany, Anatomy and Physiology, and Visual Basic.NET. There is also a Concert band, Jazz Lab band, Girl's freshman and sophomore chorus, mixed chorus as well as Music Theory and a Percussion Ensemble. Pinkerton also offers 14 Advanced Placement courses including Biology, Calculus AB, Calculus BC, Chemistry, Economics, European History, French 5, German 5, Physics, Music Theory, Psychology, Statistics, Spanish 5, and U.S. History.

### ***Technology & Applied Science Programs***

Pinkerton's Department of Technology and Applied Science offers 15 state-approved vocational programs including Automotive, Computer Technology, Drafting and Design, Vocational Agriculture, Woodworking, Building Construction, Electricity, Climate Control, Welding, Forestry, Horticulture, Marketing and Business Management, Health Science and Technology, Project Lead the Way (Pre-Engineering) and the Academy of Finance. Advisory committees from the

community and student support organizations advise each program. Work-study programs are an important part of the school's vocational program. Between 50 and 75 upperclassmen are normally at job sites in area communities, learning a skill/trade while earning academic credits.

### ***Orientation Day Assists Freshmen***

In recent years, Pinkerton has had an intensive focus on the advancement of all 8th graders to PA's 9th grade. Various initiatives have been implemented to make the change of schools a positive experience for students. These efforts include an Orientation Day, wherein 9th

graders have the Academy to themselves on the first day of school. This enables freshmen to become familiar with teachers, schedules, and the campus without the presence of upperclassmen.

### ***Extracurricular Opportunities Offered***

Supplementing the expansive curriculum are numerous extra-curricular organizations including the Pinkerton Players, Mogul Monsters, the Outing Club, FIRST Robotics Competition, the Audio-Visual Association, S.A.D.D., Peer Partners, the International Club, Destination Imagination, the Strategic Games Club, and various vocational organizations.

## **HAMPSTEAD MIDDLE SCHOOL**

**Richard S. Taft, Principal**

It is with great pleasure that I give my second Annual Report for Hampstead Middle School. This year I want to focus on some areas of excellence as well as report on some of our improvement efforts. Our school is filled daily with students and adults alike who enjoy the learning process. As we move toward compliance with the "No Child Left Behind Act 2001" we are certain our staff will meet the "Highly Qualified Teacher" status by the federally mandated date of June 30, 2006. This process has seen our teachers taking Praxis II subject area tests or completing graduate courses, or completing a HOUSSSE (High Objective Uniform State Standard of Evaluation) portfolios. The knowledge our staff has gleaned through this process assists us in creating classroom environments that are engaging, challenging, and meaningful on a daily basis. Much can be said about our student success, but that is certainly a by-product of the instructional methods and strategies we utilize on a daily basis.

### **SPECIAL EDUCATION**

This school year has been especially exciting as we moved through the state department special education approval process. We moved through this process under the direction of Winfried Feneberg, our Special Education Director. A visiting team spent time in our school reviewing programs and procedures. After the completion of the paperwork, meetings and interviews with teachers, administrators and the accreditation team, we were informed we passed with flying colors. With this news it is important to recognize our excellence in Special Education programs. The Hampstead School District's inclusionary practices are truly a model for other schools in the state of New Hampshire. This example of excellence is truly an indicator of the hard work our teachers and educational assistants demonstrate on a daily basis. Without the efforts of our dedicated staff, these types of accolades would not be a reality.

### **SPANISH**

When you take a good hard look at all the opportunities our students are exposed to, it is important to note this year we added a second full time Spanish teacher. This addition to our Unified Arts program has given additional students the opportunity to take yearlong Spanish in seventh and eighth grades. In the spring of each year, our students are given a test that may enable them to take Spanish 2 at Pinkerton Academy their freshman year. It has become a rarity that our entire 8th grade yearlong class does not move on to the second year of Spanish at Pinkerton Academy. This kind of success is something of which our entire community can be proud.

### **CURRICULUM**

In the area of curriculum, our math teachers are implementing this year the Harcourt Brace math program in grade 5 and the Glencoe math program in grades 6-8. Both programs include comprehensive technology components including an eBook feature so students can access from home their textbooks on line.

Curriculum committees are familiarizing themselves with the new state minimum standards for math, language arts, science, social studies, the arts and technology. In addition, the Language Arts and Math Committees have been revising their curricula to reflect recent changes in the NH Curriculum Frameworks and Grade Level Expectations. Our Unified Arts staff has continued the development of instructional benchmarks for Unified Arts, and all staff has continued to emphasize the use of differentiated instruction practices to meet the varying learning needs of our students.

As part of the district assessment initiative, HMS teachers have been using student benchmarking assessment data in written language, reading comprehension, and mathematics to inform their instruction planning as well as to set learning goals with students.

## VOLUNTEERS AT HMS

In closing I want to thank all of our parent volunteers. The hours you put in behind the scenes are indicative of your support of the activities and events we hold each year. Our school is a great place because so many

members of the community are volunteering behind the scenes. It is with great pleasure that I announce that the Hampstead Middle School has just received it's fourteenth consecutive "Blue Ribbon Award" for parent volunteerism.

## HAMPSTEAD CENTRAL SCHOOL

Dillard Collins, Principal

### **PUBLIC KINDERGARTEN AT HCS**

There have been numerous community discussions over the years regarding public kindergarten in Hampstead. In 2006, we will finally add this important educational program to the Hampstead Central School.

In March of 2005, the community approved the warrant article for the 2006 implementation of public kindergarten. This vote has set in motion a flurry of activity including planning and training. The following are some highlights of the planning:

#### KINDERGARTEN PROGRAM FOCUS

The focus for our kindergarten planning is to provide a developmentally appropriate environment for all children with an emphasis on reading and math literacy and early intervention services.

#### STATE KINDERGARTEN GRANT

To assist in the implementation of the program, the district will be accepting a significant amount of support from the NH Kindergarten Grant. The grant provides 75% reimbursement for construction, furniture and equipment. The grant will also provide operating costs for public kindergarten during the first few years of the program (\$1200 per half-day student).

#### PLANNING COMMITTEE

We have a kindergarten planning committee of teachers, administrators and parents. The committee has been meeting periodically as a large group. There are subcommittees working on screening, scheduling, bussing, budget, furniture & equipment, teacher hiring, special education & TEECH, curriculum and HCS Interface.

#### MINOR RENOVATIONS AT HCS

As part of the start-up costs, we have renovated some classrooms to accommodate the kindergarten students next fall. We will have three classrooms available for kindergarten at HCS. These classrooms (130, 132 & 133) have been in the building since the 1960s. We have added bathrooms, sinks and cabinets within

each classroom. We also have added a storage area to allow for the many supplies and equipment necessary for a successful kindergarten program.

#### ENROLLMENT

Considering the history in similar communities and the student population trends in Hampstead, we expect to open with 75-80 kindergarten students in the first year. We expect this number may grow to as many as 100 within the first few years.

#### TEACHERS AND OTHER STAFF

Elaine Lacourse and Rosalind Sandler have been selected as the first public kindergarten teachers for Hampstead. Mrs. Lacourse taught kindergarten for a number of years prior to joining the HCS staff as a readiness teacher. Mrs. Sandler has taught kindergarten for a number of years, most recently as the kindergarten teacher in our TEECH program.

As with all Central School classrooms, we will provide additional supports that are necessary to meet the needs of all students. Currently this includes special education assistants, remediation teachers, special education teachers and parent volunteers.

As part of our school philosophy to provide an inclusive program for all children, kindergarten children will have full access to the :

- a. Special education program of the Hampstead School District.
- b. Central School remediation and intervention services in both reading and math.
- c. Ventures (advanced learning) program of HCS.
- d. HCS Library and guidance services.
- e. Weekly physical education classes.

#### NEW ERA FOR TEECH

The current TEECH staff and other Hampstead Special Ed staff are working on

redesigning this very successful program for preschool age children.

- a. The TEECH program will change significantly in that the program will no longer have a kindergarten component. All kindergarten age children will move into the public kindergarten classrooms.
- b. The program for three and four year-old children will remain similar to the current TEECH component for this age group.

### KINDERGARTEN & READINESS

The Readiness option will remain as a part of the elementary program at HCS. The 'gift of a year' is a critical component to the educational needs of some elementary children. Please keep in mind Kindergarten is a program designed for all 5-year-old children. Readiness is a program designed for a small portion of our 6-year-old population. Readiness does benefit all children, particularly with the high academic standards at Central School.

We do expect some changes in Readiness as we move to implement public kindergarten.

- a. With the earlier intervention and assessment opportunities, we anticipate a smaller percentage of children will enter the Readiness program.
- b. This change will be seen no sooner than one year after full implementation of public kindergarten (impacting school year 2007 and beyond).

### DAILY SCHEDULE

We are planning for half-day sessions for all kindergarten classrooms. Each session will be a 2-½ hour session. The morning sessions is expected to begin at 8:50 and finish at 11:20. The afternoon session is expected to begin at 12:45 and finish at 3:15.

### **CURRICULUM HIGHLIGHTS**

This year, HCS is implementing the Harcourt Brace math program in grades K-4. In the process of instituting this new program, which includes comprehensive technology components, staff has been involved in continuous staff development. A math night

was held in October to share with parents the philosophy of the program and how to access on-line the textbook and the program's numerous resources for both students and parents.

The Language Arts and Math Committees have been revising curricula to reflect changes in the NH Curriculum Frameworks as well as the new Grade Level Expectations. All curriculum committees are now familiarizing themselves with the new state Minimum Standards for Public School Approval. The Unified Arts teachers have continued the development of instructional benchmarks and all staff have continued to emphasize the practice of differentiating their instruction to meet the needs of all our learners.

As part of our assessment initiative, teachers have been involved in using our written language, reading comprehension, and mathematics benchmarking assessment data to inform their instructional planning and to guide student learning with the goal of improving student performance.

Another curriculum initiative has been the formation of a Reading Research Study Group to explore whether our methods of teaching reading in the classroom, in remedial reading, and through special education services reflect current research on reading instruction and addresses the needs of our struggling readers. As a result of its research, the study group is focusing on a multi-tiered model of reading instruction which involves a ninety-minute block of classroom reading instruction, a supplemental thirty-minute block of instruction for students in need of some intervention services, and an additional block of instruction for those students in need of intense remedial services. A subgroup of this committee is now examining scheduling options to implement this preventative and remedial approach that will support our current Open Court language arts program.

### **ABITA SPRINGS, LOUISIANA**

In September of 2005, the nation was stunned by the devastation in the Gulf Coast due to Hurricane Katrina. The flooding and winds

devastated the southern portion of Louisiana, particularly the New Orleans area. Hampstead Central School and Middle School combined efforts to send numerous items to the schools in Abita Springs, Louisiana. We sent financial contributions and many items to help the schools and especially children during this time of need. Thanks go to many community members who made contributions during the fall of 2005 as we collected thousands of dollars of contributions for our new friends in Louisiana. They have sent many notes of thanks for the generosity to their community.

### **VOLUNTEERS AT HCS**

HCS is a very successful school in part due to the enormous amount of volunteer support in the school every day of the school year. The 2005-06 parent volunteer leaders are Loretta Cicio, Stephanie Howland, or Kelly Siegwalt.

The PTA is lead by Deb Hoffman, Gina Mullane, Laura Jones and Darlene Horan. The annual PTA Magazine Drive is lead by Diane Wolenski.

For the 15<sup>th</sup> consecutive school year, we have received the NH Partners in Education Blue Ribbon Award. This award recognizes our school for an outstanding volunteer program. Parent and community participation is a key ingredient to all we offer our children. Thank you, Hampstead.

### **STAFF NEWS IN THE SCHOOLS**

We send our wishes to our 2006 Janice Lopes. She will be retiring at the end of the 2005-2006 school year after many years of successful elementary teaching. She taught in other communities prior to arrival at Central School. She taught grades 2 and 3 at HCS since arriving in 1989. Thank You Mrs. Lopes.

## 2006 SCHOOL DISTRICT WARRANT

### March 14, 2006

#### Article 1 – Election of Officers

To choose the following school district officers:

School Board Member	3-year term
School Board Member	3-year term
School District Treasurer	2-year term

#### Article 2 - 2006-2007 Budget

Shall the Hampstead School District raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling **\$19,824,832**. Should this article be defeated, the operating budget shall be **\$19,660,042**, which is the same as last year, with certain adjustments required by previous action of the Hampstead School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: Warrant Article 2 (Operating Budget) does not include appropriations proposed under any other warrant articles.

#### Recommended by the School Board

#### Recommended by the Budget Committee

#### Article 3- Hampstead Educational Association Contract

Shall the Hampstead School District vote to approve the cost items included in the collective bargaining agreement reached between the Hampstead School Board and the Hampstead Educational Association, which calls for the following increases in salaries and benefits:

#### Cost Distribution

	2006-07 Year 1	2007-08 Year 2	2008-09 Year 3	2009-10 Year 4
Salaries	\$238,715	\$249,713	\$265,223	\$263,412
Extra Curricula Stipends	3,038	0	0	0
Longevity	(6,360)	6,900	6,750	5,600
Insurance	*	(36,537)	(36,537)	(36,537)
Professional Development	10,000	5,000	0	0
FICA	18,008	19,631	20,806	20,579
NH State Retirement	8,710	9,495	10,063	9,953
<b>TOTAL</b>	<b>\$272,111</b>	<b>\$254,202</b>	<b>\$266,305</b>	<b>\$263,007</b>

and further to raise and appropriate the sum of **\$272,111** for the 2006-2007 fiscal year, such sum representing the increase in salaries and fringe benefits over those of the appropriation and current staffing levels paid in the prior fiscal year.

*\*(The cost of insurance for 2006-2007 is budgeted in the operating budget and includes a 2% increase in teacher contributions resulting in a 2% decrease in district contributions. This becomes effective*

*June 30, 2006. Even though there is an increase in longevity the change in the benefit reduced the district obligation by \$12,520 in 2007-2008, \$17,810 in 2008-2009, and \$20,740 in 2009-2010.)*

**Recommended by the School Board**

**Not Recommended by the Budget Committee**

#### **Article 4 – Authorization for Special Meeting on Cost Items**

Shall the Hampstead School District, if Article 3 is defeated, authorize the Hampstead School Board to call one special meeting, at its option, to address the Article 3 cost item only.

*(Without this article, the District would have to petition the Superior Court for a Special School District Meeting. This saves the District the expense of attorney fees and court costs.)*

**Recommended by the School Board**

#### **Article 5 –Capital Reserve Fund**

Shall the Hampstead School District vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of school renovation, reconstruction and capital improvement, and raise and appropriate up to **\$75,000** to be placed in this Fund and authorize the use of that amount from the June 30, 2006 unreserved fund balance in excess of **\$150,000**. Further, to designate the School Board as agents to expend the school renovation, reconstruction and Capital Reserve Fund.

*(The first \$150,000 of surplus will be returned to the taxpayers. The next \$75,000 of the surplus will be placed in the Capital Reserve Fund. Any additional surplus will be returned to the taxpayers.)*

*Example 1 - \$200,000 surplus: \$150,000 to taxpayers, \$50,000 to Capital Reserve Fund*

*Example 2 - \$225,000 surplus: \$150,000 to taxpayers, \$75,000 to Capital Reserve Fund*

*Example 3 - \$250,000 surplus: \$175,000 to taxpayers, \$75,000 to Capital Reserve Fund*

*The terms “raise and appropriate” is the legal language required by the NH Department of Revenue Administration even though the funds for this article come from the 2005-2006 budget surplus, not from additional taxes.)*

**Recommended by the School Board**

**Recommended by the Budget Committee**

#### **Article 6 - General Acceptance of Reports**

Shall the Hampstead School District accept reports of agents, auditors, and committees as written in the 2005 Annual Report.

*Given under our hands this 24<sup>th</sup> day of January 2006*

HAMPSTEAD SCHOOL BOARD

## INDEPENDENT AUDITOR'S REPORT

### PLODZIK & SANDERSON

*Professional Association/Accountants & Auditors*

193 North Main Street · Concord · New Hampshire · 03301-5063 · 603-225-6996 · FAX 224-1380

To the Members of the School Board  
Hampstead School District, Hampstead, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Hampstead School District, which collectively comprise the School District's basic financial statements as of June 30, 2005 as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The government-wide statement of the net assets does not include any of the School District's capital assets nor the accumulated depreciation on those assets; and the government-wide statement of activities does not include depreciation expense related to those assets. These amounts have not been determined. Therefore, in our opinion, the financial statements referred to above do not present fairly the respective financial position of the governmental activities of the Hampstead School District at June 30, 2005, and the respective changes in financial position thereof of the year then ended in conformity with accounting principles generally accepted in the United States of America.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Hampstead School District, as our June 30, 2005, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America. As described in Note 2, as of July 1, 2004, the School District has implemented a new financial reporting model, as required by the provisions of Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements and Management's Discussion and Analysis – for State and Local Governments*.

The budgetary comparison information is not a required part of the basic financial statements, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it. The Hampstead School District has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Hampstead School District basic financial statements. The combining and individual funds statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

August 19, 2005

*Plodzik & Sanderson*  
*Professional Association*

## OFFICIAL ELECTION RESULTS

### MARCH 8, 2005

#### Article 1 – Election of Officers

To choose the following school district officers:

School Board Member	3-year term	<b>Natalie A. Gallo</b>
School Board Member	3-year term	<b>Sarah Finne-Sandler</b>
School District Moderator	3-year term	<b>Neil Reardon</b>
School District Clerk	3-year term	<b>Nancy L. Lacasse</b>
School District Treasurer	3-year term	<b>Leslie A. Riemitis</b>

#### Article 2 - 2005-2006 Budget

Shall the Hampstead School District raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling **\$19,037,673**. Should this article be defeated, the operating budget shall be **\$19,124,787**, which is the same as last year, with certain adjustments required by previous action of the Hampstead School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: Warrant Article 2 (Operating Budget) does not include appropriations proposed under any other warrant articles.

**PASSED YES – 1266 NO – 307**

#### Article 3- Hampstead Support Personnel Association Contract

Shall the Hampstead School District vote to approve the cost items included in the collective bargaining agreement reached between the Hampstead School Board and the Hampstead Support Personnel Association, which calls for the following increases in salaries and benefits:

##### Cost Distribution

	2005-06 Year 1	2006-07 Year 2	2007-08 Year 3	2008-09 Year 4
Salaries	\$23,594	\$24,810	\$25,018	\$26,650
FICA	1,805	1,898	1,914	2,039
NH State Retirement	1,607	1,690	1,704	1,815
	<u>\$27,006</u>	<u>\$28,398</u>	<u>\$28,636</u>	<u>\$30,504</u>

and further to raise and appropriate the sum of **\$27,006** for the 2005-2006 fiscal year, such sum representing the increase in salaries and fringe benefits over those of the appropriation and current staffing levels in the prior fiscal year.

**PASSED YES – 1015 NO – 561**

#### Article 4 – Authorization for Special Meeting on Cost Items

Shall the Hampstead School District, if Article 3 is defeated, authorize the Hampstead School Board to call one special meeting, at its option, to address the Article 3 cost item only.

*(Without this article, the District would have to petition the Superior Court for a Special School District Meeting. This saves the District the expense of attorney fees and court costs.)*

**PASSED YES – 1139 NO – 421**

#### **Article 5 – Public Kindergarten**

Shall the Hampstead School District vote to operate a public kindergarten program beginning in the 2006-2007 school year and raise and appropriate the sum of **\$137,640** to construct four (4) bathrooms in existing classrooms, three (3) of which will house the kindergarten program and to provide the necessary equipment and curriculum development needed to implement Kindergarten and to authorize the district to accept \$91,980 from the State of New Hampshire for said purpose.

**PASSED YES – 879 NO – 740**

#### **Article 6 – Purchase of Portable Trailers**

Shall the Hampstead School District raise and appropriate the sum of **\$101,450** to purchase two (2) portable trailers (four classrooms) that are presently leased year to year.

**PASSED YES – 1195 NO – 412**

#### **Article 7 – Transfer of Land – By Petition and James R. Whitehouse, et al**

Shall the voters of the Hampstead School District agree to direct the Hampstead School Board to transfer ownership of 20.7 acres of land (Map 1 Lot 43 Parcels A&B), commonly known as the Depot Road school land, from the Hampstead School District to the Town of Hampstead, at no cost to the Town of Hampstead, to be used for recreation and conservation purposes only.

**PASSED YES – 910 NO – 622**

#### **Article 8 - General Acceptance of Reports**

Shall the Hampstead School District accept reports of agents, auditors, and committees as written in the 2004 Annual Report.

**PASSED YES – 1409 NO – 125**

*HCS – Movement Assembly January 2006*

*HCS – Invention Convention February 2005*
